**Special offer with membership: 50% discount on *Grapegrower & Winemaker* magazine**

As a way of adding value for our members, everyone who joins or renews their WGGA membership before **30 September 2011** will receive a **50% discount** on an annual subscription to *Australian & NZ Grapegrower & Winemaker* – the official “voice” of WGGA. This means a saving of \$38.75 on the normal full subscription price. The *Grapegrower & Winemaker* magazine provides you with the latest information on grapegrowing, winemaking, business and technology, sales, marketing and industry news as well as newsletters from industry organisations including WGGA and GWRDC. It also gives you access to an online searchable archive of over 600 previously published articles, and the electronic news service *Daily Wine News*. (See [www.winebiz.com.au](http://www.winebiz.com.au).)

To take advantage of this offer, tick the box on the membership form and we will forward your name and phone number to Winetitles, who will contact you to arrange your subscription. (If you already have a subscription, you can renew for another 12 months at the special price, provided you do so during the promotion period.)
